To Whom it May Concern:

A-1 Janitorial has been doing business with the Mirage Hotel & Casino since January of this year. A-1 has a contract till the end of this year to clean all upholstery in the Mirage suites. Pam Washington's expertise and knowledge of the cleaning business enabled her company to excel above the rest.

In todays market, we at the Mirage have certain standards that we require of all our service oriented vendors, to compete for the tourist trade. A-1 has met all requirements and their work has been exceptional. We here at the Mirage look forward to doing business with A-1 Janitorial for years to come.

Thankyou to Pam and A-1 Janitorial for a job well done!

Sincerely,

Cathy M. Madeira
