SUBJECT: Letter of Recommendation / A-1 Janitorial Services

A-1 Janitorial Services is currently our office cleaning company which for the past year has been very dependable, 5 evenings a week. When extra services are required, i.e., carpet shampoo, window washing or extending cleaning to 7 evenings a week, a few days advance notice is given. If there is an occasional dissatisfaction with the cleaning, a call or email to A-1 Janitorial is all that is needed for immediate correction.

This company almost got away from us as during the bidding time their quote was higher than 3 other company's and we did not select their services. However, six months later the company that was selected did not perform to our specifications. A-1 Janitorial Services was immediately called and we accepted their proposal. A-1 Janitorial has exceeded our expectations and we are very pleased with their services.

This is an incredibly well managed company with pleasant employees.
