To Whom It May Concern:

I write this letter as a reference for Pam Washington and A-1 Janitorial Services. I have known Pam for almost ten years and used the services of her company during those years. I would not hesitate to recommend her to any of my peers in the hotel industry.

I first began doing business with Pam soon after she started her company. The MGM Grand Hotel had just opened a brand new \$5,000,000 lion habitat inside the hotel and I took a chance on her to step in and clean the habitat from another vendor with whom I was having numerous problems. There were live lions in the habitat twelve hours a day, and the list of do's and don'ts were extensive and had to be adhered to stringently, or the health of the lions could be jeopardized. Pam, and her team members went over and above the call of duty at all times.

Based on the success Pam had in the Lion Habitat, I have had many occasions to outsource opportunities for her company, and in each instance, she has always lived up to her word and my expectations. She has been a pleasure to negotiate with, and always not only lived up to the letter of each agreement, but has often gone beyond the terms of the agreement to ensure that the job is done on time and efficiently.

Pam takes great pride in her company and I would highly recommend her.

Respectfully
